What Is Amazon's VET Policy In 2023?

Additionally, Amazon VET is similar to Amazon VTO (voluntary time off) in that i

t's optional and changes week by week.

So, if an Amazon warehouse is hiring and needs more hands on deck, it's like

ly VET will be offered.

Also, Amazon does place limits on VET to protect associates and ensure staff mem

bers are not overworked.

Therefore, 60 hours per week is the maximum number of hours employees can work,

both regular shifts and voluntary extra time.

So, Amazon VET offers employees the chance to take home extra money, particularl

y during busy times like the holiday season or Amazon Prime Day.

Some employees love taking VET for the extra money, while many have other plans

and may not want to work additional hours all the time.
