: Online sites, in general, offer better value than brick-and-mortar casinos.

However, if an online site gets boring, you can just download a new casino app to your phone and jump ship.

In terms of the spread, the " - " always refers to the favorite and the " + " always refers to the underdog.

It's especially the case in soccer since matches can end in draws, whereas a winner is declared in almost every other sport because of overtime rules.

"

If you bet \$100 on the Eagles to win at -150, you would net a payout of \$166.

In this case where both teams have a " + " in front of their odds, the

team with the lower number is the favorite.

The lower number also means a lower payout, which is always the case for betting the favorite on the moneyline.

Now that you know what plus and minus mean in sports betting, you can use a few promotions to sign up and grow your bankroll.

You can also use the Caesars Sportsbook promo code ROTO15 for a risk-free bet and the BetMGM bonus code ROTOBONUS for a welcome offer as well.
