“Bounty helps make influencer marketing accessible to real customers. Brands and customers are tired of influencers who promote products they don’t actually buy or use. Brands would rather work with real customers who use and love their product! That said, it’s very difficult to do, because it takes a lot

of time to find the right people who truly love your product and want to create content about it, especially if they don’t have a large audience. But that’s

where Bounty comes in!

Our service allows real customers to work with their favorite brands as content creators anytime they want, and ensures any time brands want to use your content

in their marketing they have to pay you for it. That way, the more value you cr
