Burberry is a world-renowned luxury brand, attentive to details and quality, a b

rand that since the early 1900s has made unforgettable clothes, cosmetics, and a

ccessories, such as the iconic women&#39;s bag, known for its timeless, suitable

style on every outfit and always perfectly combinable.

A truly original accessory appreciated all over the world and suitable for any

occasion.

Burberry&#39;s great strength lies precisely in the ability to know how to inte

rpret the innate style of each woman and to express her dreams, her temperament,

and what she would like to become.

Soft lines and refined curves with many internal compartments and closures with

buckles adorned with geometric shapes.

For those who love minimal style, the British brand offers some models of small

grained leather bags with gold-colored details, as well as buckles and zippers,

available in different shades of gray, brown, and total black.

Shapes cleaned of every habit, bold lines with fixed lateral folds, and a skin t

hat manages to keep the shape perfectly upright, without inclinations.

Suitable for the most extravagant personalities, for those who cannot give up th

e daily change of bag and have one for each day of the week, the trunk model is

a desired object.

Whether it&#39;s a simple dress with a cashmere cardigan or a trouser suit, the

Burberry trunk model manages to enhance every style and to give a touch of orig
