

name brand purses for cheap

If you don't have cash and need it, do what I did. Instead of thinking of your assets as static things, make them work for you.

I hosted a yard sale with everything that didn't sell online.

This is the kind of hustle you need to have if you're going to build a business on Amazon that makes you passive income.

Second, I took the cash earned from selling my stuff to sell products arbitrage.

Arbitrage is where you buy products on the cheap and sell them somewhere else, like Amazon, at a higher price.

Once you have that cash, you can start making private label purchases. Then you no longer have to hustle, hustle, hustle to make money.

Shoppers do not look for products to buy. They want to buy a solution to a problem.

Because I appreciate the style. The design. It solves a perceived problem by looking awesome. Why did I buy it? I made an emotional decision. It's not based

on practicality. I already had another baseball hat at home that does the exact same thing of protecting my eyes and face from the sun's harsh rays.
