By finding in favor of New Jersey in their bid to allow sports betting, the Sup

reme Court opened the door for other states to decide their own laws regarding I ive and online sports betting.

While no US gamblers have ever been prosecuted for placing bets, there are risk

s associated with it including lack of security and proper regulation.

With individuals states including California now free to determine the legality

of sports betting for themselves, it is reasonable to expect that California wil

I do the same and move towards the legalization of sports betting.

In the meantime, online sports betting with offshore sites is the only option.

As we've said, sports betting is currently not legal in California.

Despite this, it \$\#39\; s one of the most active states in terms of pro sports tea
