A quick overview of baccarat rules

Playing baccarat for free is a great way to get to know how the game works, and the good news is that the rules are quite simple.

It differs from Punto Banco in that the player has the power to influence the outcome of the game, so it's possible to use a baccarat strategy.

Although nowhere near as popular as Punto Banco, you may find the Banque version in some European casinos.

Take note, however, that several of these games may still require Flash player, a technology that is now obsolete.
