Florida is home to nearly 22 million people, but the third-largest state has had

limited access thus far to online sports betting.

As the third-most-populous state in America with nearly 22 million people, Florida

da sports fans will be eagerly awaiting news on their gambling fates.

Spread: The most common form of betting on team sports, the spread is designed to

o create a level playing field.

If Miami is playing Boston in basketball and Boston is considered the 7.

Bets on Miami would win if they lose by seven points or less.

I originally wrote a negative review due to geolocation issues, but they have re

solved those, so I am re-reviewing this app.

Now this review is about the app, not the casino itself.

Of the real money gaming options out there, this casino is decent.

Keep in mind, however, that you are GAMBLING, which means you will probably lose

e in the long run.

People that complain they didn't win money, well they're just not being

realistic.

Period.

Other than that, I have no complaints - other than, please start adding new games

es occasionally! Get some Everi and/or Kunami games! I think they've only added

ded one new game in the last month.

I still play through safari sometimes though because it is easier to find the games
