Qatar is also one of the places with the highest GDP per capita, ranking eleventh in the world according to data compiled by Statista.

Qatar would undoubtedly make for a very lucrative gambling market, considering how developed its economy is.

Furthermore, the Constitution of Qatar recognizes these laws as part of the country's legislation.

Sharia prohibits those who practice the Muslim religion from gambling, drinking alcohol, and other similar activities.

The risk for such players is typically low provided they wager discreetly from the comfort of their homes.

News pieces have emerged over the years reporting on groups operating underground gambling dens from private homes.

The only legal game that comes close to gambling is a raffle organized by the Qatar Duty Free division of Qatar Airways.

The opposition to such activities is deeply embedded in Qatar's culture and official religion, similarly to other Islamic nations like Kuwait, Oman, and UAE.
