Benefits and drawbacks of new online casinos

At Casino Guru, we regularly update our database with the latest entries into the market, and you can see a list of those available in your country on this page.

Brand new online casinos potentially offer several benefits to players. On the flip side of the coin, we should also treat new casino sites with caution.

You can read more about how we arrive at these ratings in our How we review online casinos article that mentions the specific criteria that our team of experts uses.

'Recently opened' will give you the very latest additions to the online casino market, while 'Recommended' puts the best of the new casinos, according to our experts, at the top of the list.

Using other filters, new mobile casinos are extremely popular with players on the move, so selecting the 'Mobile-friendly casinos' filter will give you the newest options to look at.
